Welcome to Andorra

■ Andorra is a small independent state in the centre of the Pyrenees, between Spain and France. We may be small, but nobody else has managed to concentrate the best and most modern ski resorts in the south of Europe into a 468 km² area, completing it with an unbeatable offer of leisure time, gastronomy, culture, shopping and so on. That's why in Andorra, you will be skiing in a unique country.

GRANDVALIRA

GRANDVALIRA

■ At Grandvalira we do not wish to stop exploring the limits of winter. There is a winter for those who create stories instead of just listening to them. Our biggest news this season is the Grandvalira Resorts ski pass which provides access to all the ski resorts in Andorra!

www.grandvalira.com

Ski and snowboard school

■ More than 500 certified snow ambassadors are ready to accompany you so that you can learn to master winter sports. Six centers, lessons in six languages and one of the most internationally recognized schools; why not sign up?

Children's school

■ Specialized instructors in our kindergartens and snow gardens, private and group ski lessons, seven kids' themed circuits.

Freeride, Freestyle and ski touring

■ **Freeride:** pure adrenaline, powder snow enveloping you and tracks designed just for you. In our schools you will find specialized instructors to teach you the techniques with safety equipment so you can achieve freedom.

Freestyle: the indescribable sensation of flying and touching the sky is possible in the three Grandvalira snowparks, one of which operates at night!

Esquí de muntanya: feel the freedom by reaching the most emblematic peaks in the domain with our mountain guides.

Adventure activities

- Discover the adventure activities suitable for both young and for all ages.

Eating out

■ Grandvalira has more than 60 places to eat distributed throughout the area: a wide gastronomic selection that caters to all tastes and needs. And for an unforgettable dining experience, also discover our nighttime dinner events.

Après-ski

■ The popular leisure and restaurant establishment, **L'Abarset**, returns this winter season with more force than ever with the aim of becoming the best après-ski in Europe.

The renovation project **keeps the essence and spirit** of the previous L'Abarset, while promoting a new concept to combine **leisure, music and gastronomy** in a unique experience that will extend beyond the ski season and the weekends.

The Extraordinary Resort

■ The Extraordinary resort is defined as the wildest and most exciting ski area where you can achieve a level of freedom like never before and find that “extra” that will make you feel extraordinary. Ordino Arcalis, known for offering the best quality and the largest amount of snow in the Pyrenees, it offers a unique mountain area.

www.ordinoarcalis.com

Fun and learning

■ The Ordino Arcalís Ski & Mountain Academy offers ski and snowboarding lessons. The little ones will be able to learn while having fun in our nursery and snow garden. It also has several areas for beginners and the Megaverda track, the longest green track in the Pyrenees.

The best of the mountain to suit all preferences

■ Flavours, textures and aromas of the mountain. Dishes that are 100% cooked in the ski resort using locally-sourced top-quality products. If you want to experience a unique adventure, we recommend dinners at high altitudes at the la Borda de la Coma restaurant, at 2,200 m high, and then ski down under the moonlight.

Adventure activities

■ Ordino Arcalís is the perfect setting to try a wide range of activities designed for everyone. From snowmobile excursions, snowshoeing, mountain skiing and don't miss the excursion to the Port del Rat stalagmite cave.

Freeride and Adrenaline

■ Discover more than 120 itineraries led by the guides of our prestigious Freeride School. If what you enjoy is using snowshoes or ski touring, we can offer training and accompaniment services to suit your needs.

The ski resort 365

■ Pal Arinsal is the closest ski resort to the center of the country, with convenient access to arrive with friends, alone or with family. Located in the La Massana parish, Pal Arinsal hosts three World Cups every year: ISMF Mountain Skiing, UCI MTB and Skyrace Comapedrosa Trail Running.

www.palarinsal.com

Snow, adventure and nature

■ **Pal** is the closest ski resort to the center of Andorra. The gentle profile of its mountains and the magic of its forests allow families and groups of friends to enjoy themselves to the fullest.

■ In **Arinsal**, you can enjoy a unique atmosphere and first-class services in an ideal environment designed for couples, young people and families, with convenient access thanks to the Els Orriols gondola.

The Pal and Arinsal ski zones are connected by cable car located in the Coll de la Botella sector (in Pal) and Port Negre (in Arinsal).

Activities designed for everyone

■ For those who wish to enjoy the snow in a different way, Pal Arinsal proposes a large number of activities in the Pal zone: Big Zip zip line, rope park, a virtual ski simulator, among many other activities for children and adults. Let's not forget the popular alternatives, such as mountain skiing or snowshoeing excursions.

Snow school

■ The Pal Arinsal snow school is highly rated both for the quality and the technique of its instructors. And the little ones can also enjoy the snow garden service.

High altitude gastronomy

■ For gastronomy lovers you will find up to 21 different restaurants. On pre-arranged days and with prior reservation, you can also enjoy high mountain dinners in Pal or Arinsal

Andorra is so much more

Fun, music and a great atmosphere

■ After a day of skiing, the après-ski atmosphere moves to the various bars at the foot of the slopes where people enjoy a drink, listen to the best live music, have fun watching the sunset and the arrival of the evening.

ANDORRA IS SO MUCH MORE

Time to shop

■ **More than 1,500 shops and stores** are concentrated to ensure that you find what you are looking after.

Discover our culture

■ Inquisitive visitors can discover fantastic cultural itineraries, museums that describe the customs and local traditions, or the rich Romanesque heritage that has been with us the last 1,000 years.

ANDORRA IS SO MUCH MORE

Enjoy the authentic mountain cuisine

■ The “bordes” are traditional Pyrenean buildings made of stone and timber. Nowadays most of them are cosy restaurants where you can enjoy authentic mountain cuisine.

Accommodation to dream

■ **More than 300 tourist establishments** that provide a total of almost 43,000 beds all over the country will guarantee it.

Escape time

■ The culture of water has taken deep roots, and many places have recently incorporated wellness areas into their services, some of which have a surface area of up to 5,000 m².

Caldea, the largest thermal spa in southern Europe

■ Caldea is comprised of 4 spas: The **Termolúdic**, the largest spa in Caldea, offers a more playful experience in thermal waters. **Inúu**, the Caldea spa exclusively reserved for adults. **Likids** is the exclusive access spa for children, and finally, in **Orígens**, exotic baths from around the world, await you.

Ski Canaro

■ Ski Canaro, in Canillo, has two slopes for beginners and a sledge slope for the younger members of the family. At the ski resort you will also find a family hotel with a restaurant, snacks, a panoramic terrace with views of the slopes and free parking. All in a beautiful setting in the heart of nature.

www.skicanaro.com

Cross-country skiing, activities and experiences in the snow!

■ Located in **Sant Julià de Lòria**, in the surroundings of **La Rabassa**, Naturland is an outdoor activities hotspot. In La Rabassa, **you can practice cross-country skiing along more than 15 km of marked slopes at an altitude of 2,050 m.** It also has a **wide range of snow activities.** The offer is complemented by the **Tobotronc, the longest alpine toboggan in the world with a 5.3 km route.**

Endless ways of having fun with your family or friends!

■ The Palau de Gel is in the centre of Canillo, at the foot of Grandvalira ski resort and just 10 km from the centre of Andorra la Vella. There are 1,800 m² of ice in a universe of fun with a great variety of activities.

www.palaudegel.ad

Enjoy andorra in the summer too

■ In summer, the 468 km² of Andorra will take you to a world of nature in its purest state and of impressive countryside. You will find beautiful views, for example, in the three protected open spaces in the country: Les Valls del Comapedrosa Communal Natural Park, Sorteny Natural Park and the Vall del Madriu-Perafita-Claror. The latter has been declared World Heritage by UNESCO.

Grandvalira, unlimited summer

■ In the **Canillo** area, the Magic Mountain Family Park is the ideal place to enjoy with family or friends: adrenaline, fun and a multitude of activities at an altitude of 2000 m!

In the **Soldeu** area, the highest golf course in the entire Pyrenees awaits you at 2250 m above sea level. This 9-hole course, par 33, has a length of 2,590 m and an area of 16 hectares.

GRANDVALIRA SUMMER

■ **Encamp** sector has numerous activities for all the family. The Funicamp experience is a great gateway to the wealth and the history of the Pyrenean environment and countryside.

In the Pessons area of **Grau Roig** there are various activities.

Epic Andorra brings nature closer to visitors in an exclusive way with a luxurious level of services and quality, offering experiences in exceptional accommodations.

Ordino Arcalís, where times stands still

■ The main summer attraction in Ordino Arcalís is undoubtedly the spectacular Tristaina Solar Viewpoint. It is located on the Peyreguils peak at an altitude of 2,701 meters and offers a 360-degree panoramic view of the Tristaina glacial cirque and the entire Ordino valley which was declared a Biosphere Reserve by UNESCO.

In Ordino Arcalís, you can also enjoy the unique ascent by bicycle to a final port of the Tour de France and La Vuelta a España free from road traffic, an experience for cycling lovers.

Pal Arinsal

■ In summer Pal Arinsal becomes a benchmark in the world of mountain biking and running. The station is transformed into a Bike Park and offers its users alternative activities suitable for all ages with the Mountain Park.

It also offers a large number of hiking trails so you can discover the country's mountains as well as a rich gastronomic selection.
